INTRODUCTION

MS Smart management Sdn Bhd (MASMA) is a training and consulting company since 2013. We specialize in training and consultation in Occupational Safety and Health (OSH) Management.

In addition to the extensive industrial experience in OSH Management, we do have a pool of experts in our faculty specializing in specific areas that serve organizations of numerous industries.

We believe in a comprehensive approach – becoming part of our clients business and knowing as much about their operations and challenges as possible. We want to support you in meeting your needs and most importantly achieving your goals in improving bottom line results and to sustain the competitive advantage.

“Alone we can do so little, together we can do so much”

-Helen Keller-

- Ergonomic Risk Assessment (ERA)
- Fire Certificate and Fire System

OSH MANAGEMENT SYSTEM

The protection of the health and safety of all employees is vital to the success of all organizations. Bad performance in occupational health and safety (OHS) can take a heavy financial risk on any business, not to mention the human cost of work-related illness, injury, and fatality. In our continually changing workplace environment, the effective assessment and management of OHS issues is important.

MASMA have the solution to recover your organization illness from this OSH Management System especially those who involve in small medium industries. Our solutions includes :

- Safety Hero
- OSH documentation
- Safety and Health System for SME
- ISO 45 001 OSHMS Certification

FIRE FIGHTING SYSTEM & SERVICES

Unpredictability is the only thing that common in all fires. MASMA is committed to protect you in this volatile environment with proven firefighter equipment under Masma Fire Engineering Team. Whether your organisation is municipal, educational or industrial based, we provide many products and services to enhance your fire fighting capabilities, such as :

- Fire Alarm System (Conventional & Addressable)
- Smoke/ Heat Detection System.
- Wet & Dry Riser System.
- Automatic Sprinkler System
- Portable Fire Extinguisher.
- Pressure Hydrant & Hosereel System.
- Fire Supression system. (CO2 / FM200 / Inergen System).
